1

Fisica takes your
Foot pressure data
to **Visualize** your overall posture.

2

Fisica analyzes posture & alignment to Predict potential pain areas

Result of the Overall Analysis X

Estimated Type

Snoozing Flamingo

Due to its rotated curvature, your spine has the same pattern of asymmetry as a snoozing flamingo, affecting your overall posture.

Can you recommend me shoes that fit me?

09:26 AM

[COMFORT-STEP] B-A23
(Shock-Absorbing Model)
Size: US 6.5(EU 37.5)
You have wide feet and above-average weight, so I recommend Comfort Step shoes with cushioning and a wide toe box.
